SPELTHORNE RAMBLERS LATE SUMMER WALKING IN THE SPLENDID

YORKSHIRE DALES

Join us on Saturday, 6th September 2008 for a week's holiday at HF Holidays' super hotel at Malhamdale in the beautiful Yorkshire Dales, just north of Skipton. Newfield Hall is a stately 19th century Country House and is an excellent base for exploring the National Park It is in extensive grounds in the rolling scenery of the Dales and has elegant public rooms, an impressive indoor swimming pool and spacious lounges. There are single and twin rooms available in the Hall with others in the tastefully converted coach-houses nearby. All are en-suite and have tea and coffee making facilities. There is no single supplement.

Guided walks will be organised by probably three leaders giving you the choice of three different grades of walk each day, ranging from about six miles for the easiest up to around twelve miles for the hardest. Walks will be arranged on five days with probably Wednesday being a free day so that you can go farther afield in the area - perhaps to Haworth - home of the Brontes, Ingleborough, Fountains Abbey or possibly Harrogate.

Provided at least 26 members book, the price will be £499 for the week, including full board with a substantial self-choice packed lunch and a three course evening meal with tea and coffee plus the led walking programme with coach transport to and from the start/end of walks. Some evening entertainment will also be arranged by the Walks Leaders. The price we have been offered by HF reflects your Club having taken up an early option for the week and is likely to be at least £50 less than the published brochure price. A sum for staff gratuities has also been included.
